Dear Friend Mable.

Your card reached me and was supprised to hear from you? Thought you were too busy. Golda denied that but then she is your sister and would take your part as she should. It might be that I could come down for a couple days in August. How would it be for you girls? but dont get scared

As I might not again. Haven't heard from A.S. since he moved. Wait until I see him. Love Ina Sherman.
